CORPORATE PARENTING PLAN 2023-2026 CONSULTATION – PRIVACY NOTICE

Last updated: September 2022

Scottish Fire and Rescue Service (SFRS) is committed to protecting your personal information. The processing of personal data is covered by the General Data Protection Regulation 2018 and Data Protection Act 2018.

This privacy notice explains the information SFRS (“we”) are collecting about you, why we have collected it and how it will be used.

Process owner: **People and Organisational Development – Equality and Diversity**

This notice relates to the following categories of data subject:

SFRS Stakeholders, Members of the Public and SFRS Staff

Why are we collecting your information?

We are a proud Corporate Parent. We see our Corporate Parenting duties not only as a responsibility but an opportunity to have a positive impact and improve the life chances for care experienced people.

We welcome your views on the proposed outcomes and actions for the next SFRS Corporate Parenting Plan 2023-2026 (Plan). We will use the information to shape our next Plan, ensuring that we are meeting our statutory obligations and building on previous Corporate Parenting activities and partnership working.

To fully analyse the results received, some personal information will be requested to allow us to identify any data trends. Personal data will also be requested to enable a receipt of response or to enable feedback to any queries received.

In order to gauge your views, a six-week public consultation has been launched.

You will be able to submit your views via an online questionnaire.

The questionnaire will be downloadable. Hard copies will be returned by you directly to the Equality and Diversity team to ensure confidentiality.

By contributing to this consultation, you are giving express permission for your comments to be published; however, any such comments will be published anonymously.

You will be given the opportunity to comment on how we have conducted this consultation exercise. This will provide us with your views on what worked well and what could be improved to help inform future exercises.

We are subject to the provisions of the Freedom of Information (Scotland) Act 2002 and, therefore, we must consider any request made to it under the Act for information relating to responses made to this consultation.

How we collect the information about you?

We collect the information directly from you when you complete the questionnaire, either via Citizen Space or on the downloadable paper format which will be input into Citizen Space. Any paper format will be destroyed once input into Citizen Space.

What happens if I do not want my information collected?

The provision of certain categories of personal data is optional.

You can still share your views, it may mean that we will be limited in the scope of any detailed analytical reports that are produced. It may also mean we will not be able to acknowledge receipt of your response or to follow up on any queries you may have.

What information is being collected by us?

Categories of personal data:

- Email address (Optional);
- IP address (system generated);
- Unique response identifier (system generated).

Special categories of personal data (Optional):

- Age by category;
- Gender / gender identity;
- Caring responsibilities
- Care experienced
- Disability;
- Ethnicity;
- Sexual Orientation;
- Religion or belief.

Legal basis for the processing

Before we process your data, we need a legal basis for doing so. In this case, the basis for processing your personal data is consent. This allows us to determine if our plans are reflective of your expectations so that services can be provided appropriate to your needs.

The system collates IP address information. This is intended to assist us in identifying suspicious responses, such as in the case of automated submissions, duplicate submissions or where inappropriate content has been submitted.

Each participant who submits a response in Citizen Space is given a unique ID for that response. This ID is response specific, not user specific, meaning that every response is given an ID, not each respondent. This is designed to track and find formal submissions.

Special categories of personal data will be used to help us understand the different priorities various community groups may have. We have based our monitoring questions on the categories in the 2022 Scottish census. We will not use this information for any other purpose.

We monitor feedback to determine whether our services are accessible. In addition, we consider whether our policies have a disproportionate, unfair or positive impact on particular groups, and whether those groups are satisfied with the services they receive.

The provision of this information is optional. However, if it is provided, you are giving explicit consent for us to use this information.

This is covered under the Data Protection Laws below:

For Personal data:

- the data subject has given consent to the processing of his or her Personal Data for one or more specific purposes – Art. 6(1)(a)

For Special Category data:

- the data subject has given explicit consent to the processing of those Personal Data for one or more specified purposes – Art. 9(2)(a)

How the information will be used and stored?

Your response will provide us with insight of your views in relation to our draft Corporate Parenting Plan and the objectives we propose carrying out within its term.

Your information will be stored in Citizen Space and only designated staff from the Equality and Diversity team will be able to access the software. For further information in relation to Citizen Space, please view [here](#). For the Citizen Space Privacy Notice, view [here](#).

Any analytical work using your response data may be exported to an excel spreadsheet and saved to SharePoint that can be accessed by designated members of the Equality and Diversity team. This might also be accessed by Information Governance and Performance Data Services.

Your personal data, such as name, email address, IP address and unique reference number, will not be saved, as this is not required for analytical purposes.

Who we share your information with?

By commenting on this consultation, you are agreeing that your comments can be made public in a consultation report that may be published on our website.

We may use your comments within a press release or online (social media or website).

If you are responding as an individual, your responses will remain anonymous.

Any reports submitted to SFRS management or published on our communication platforms will be entirely anonymous. This includes redacting any identifying personal information within free text responses.

How long we hold your information for?

The information will be collected over a period of six weeks. It will then be processed for a further six weeks. Any personal information provided by you will be destroyed within six months of the end of the consultation process. This will ensure we are not keeping any personal data longer than necessary.

Automated decision-making?

The information we have collected will not be used to make any automated decisions about you.

Requesting access to your personal data and your rights

Under data protection legislation, you have many rights regarding your personal data. You have the right to:

- be informed of how we will process it;
- request a copy of what we hold about you;
- have it deleted (where we do not have a legal requirement to retain it);
- have it rectified, restricted;
- object to us using it;
- data portability (in certain circumstances).

Where we are processing data based on your consent, you have the right to withdraw that consent by unsubscribing at any time.

To act on any of the above rights or if you have any concerns about how we are using your personal information, please contact the Information Governance Manager (contact details below).

However, if you are unhappy with the way we have processed your information or how we have responded to your request to exercise any of your rights in relation to your data, you can raise your concerns direct with the Information Commissioner's Office, Tel. No. 0303 123 1113 or in writing to:

Information Commissioner's Office
