MULTI MEMBER WARD PLAN FOR ELGIN NORTH AND SOUTH

2015-2016

**Working together
for a safer Scotland**

Moray Local Priorities 2014-17

The Moray Local Fire and Rescue Plan sets out the local priorities, actions and outcomes for the Scottish Fire and Rescue Service to deliver within Moray for the period 2014- 2017. These are:

- Local Risk Management and Preparedness
- Reduction in Accidental Dwelling Fires
- Reduction in Fire Fatalities and Casualties
- Reduction of Deliberate Fires
- Reduction of Non Domestic and Secondary Fires
- Reduction in Casualties from Road Traffic Collisions, Flooding and other Special Service Calls
- Reduction of Unwanted Fire Alarm Signals

Elgin North and South Priorities - in this year's plan we aim to...

The key priority areas in Elgin that are considered in the Local Assessment and those action plans that will be developed for are:

- Continue to improve our operational effectiveness and provide a first class emergency response
- Maintain a safe and efficient workforce
- Reduce accidental dwelling fires and fire casualties across Elgin
- Make life safer for vulnerable groups or people at risk in the Elgin community
- Support partnership working to reduce identified and emerging risks and make Elgin a safer place to live, work and visit
- Reduce the number of people killed or seriously injured on our roads
- Contribute to improve the resilience of Elgin

Elgin North and South Objectives - what we are going to do

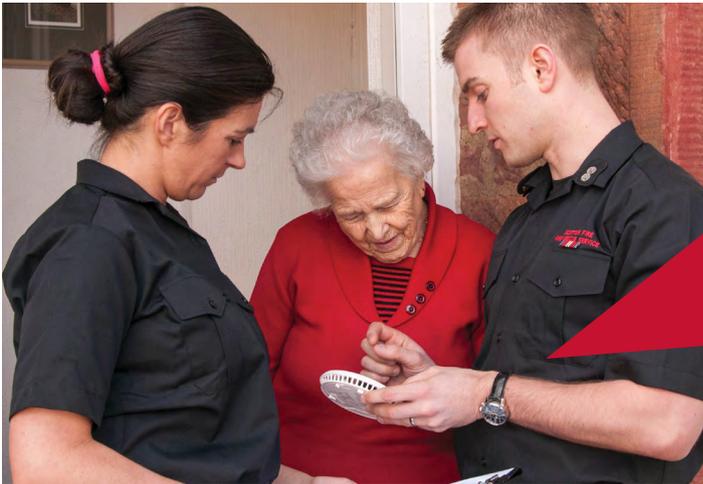

During 2015-16 we will focus on the following key areas:

- Safety of our staff is a priority. We will continue to educate, develop, train and test our operational crews to ensure they are able to respond to a wide range of emergencies in a safe and highly effective way
- We will further strengthen our links to partner agencies in Elgin to ensure that our fire safety work is targeted towards those individuals and groups who are most vulnerable and are most at risk from fire
- Continue to work closely with our partner agencies in Elgin to reduce further our attendances at Wildfires, secondary and deliberate fires
- We will work with partners to reduce deliberate fires and accidental dwelling fires, prioritising the South Lesmurdie area
- We will improve our capability and road safety awareness to increase the impact of our road safety reduction activities

FREE Home Fire Safety Visit and FREE Smoke Alarm

Fire can happen to anyone.

But it is our job to help make sure your home is as safe from fire as it can be. This is why we provide free Home Fire Safety Visits.

Our staff can help you spot a possible fire hazard, offer advice and guidance and fit smoke alarms free of charge if your home requires them.

A Home Fire Safety Visit only takes around 20 minutes. And that 20 minutes might just save your life.

Always ask for official identification - all employees of the Scottish Fire and Rescue Service will be happy to produce this on request.

Visits are easy to arrange.

A Home Fire Safety Visit can be organised at a time that suits you, day or night. We would also like community members to think about anyone you know who could be at risk from fire. It could be a friend, relative, or neighbour. To book a free Home Fire Safety Visit for you, or for someone you know:
